Petition to Mid Sussex District Council

We, the undersigned, petition Mid Sussex District Council to provide a water play area in St John's Park, Burgess Hill.

Burgess Hill is the biggest town in Mid Sussex. We feel that our children deserve a water play area like the children of Cuckfield and Haywards Heath currently enjoy. We wish for Mid Sussex District Council to access its substantial 'Section 106 Fund for Leisure' monies in order to fund the project. In addition, Mid Sussex District Council should fully consult with the local residents to ensure the type of water play area installed is what the people actually want.
